

Player Appearance Request Guidelines

Kalamazoo Wings players are available throughout the hockey season (October-March). The majority of player appearances are community service, school or hospital visits. Players are not available on game days. Appearances are limited to one hour. Players generally wear casual clothing to appearances unless specific dress is requested.

When having a player at your event or place of business, please keep the following criteria in mind:

- Direct interaction with kids
- Clear role for the player in the event (read books, hand out awards)
- No athletic functions with risk of injury (i.e. basketball games)
- Maximize player time (as large number of kids influenced as possible by visit)
- Publicity opportunities

FEES:

There is no fee in regard to a Kalamazoo Wings player appearance.

*Note: Any player appearance at a restaurant or place where food is served, we asked that the players in attendance are fed or provided refreshments.

AVAILABILITY

During the regular season (October through March) Kalamazoo Wings players, coaches and staff are available in the afternoons (no earlier than 1 p.m.) for appearances. Kalamazoo Wings player appearances are not permitted during the playoff season (April and May).
